Dear Nili,

As we are approaching the Cyber Security Summit, media is taking a rising interest. ARD, ZDF, N24, Phoenix and other German broadcasters have already expressed their interest.

On this matter, we wanted to ask whether it would be convenient for Mr. Barak to reserve a time slot for TV- or any other - interviews. Media requests could be channeled and coordination efforts for all parts can be avoided.

For example the Lunch break, from 12:15 p.m. to 1:50 p.m. following the opening panel, would be a fitting opportunity. Of course, MSC and Telekom staff will be present to assist arranging the talks and provide help wherever needed.

We have already received a first request by Spencer Kimball, Deutsche Welle (http://www.dw.de/) who would be delighted to conduct an interview with Mr. Barak. Naturally, we would be glad to assist in any regard, if Mr. Barak agrees to the interview.

I am looking forward to your response.

Best,

Barbara
